

Balmoral Castle.
Sept. 13/25. 1896.

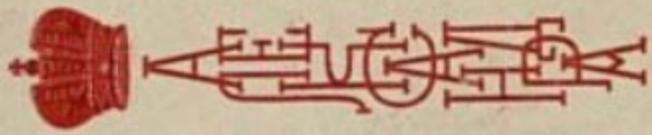

Dearling Misha,

I hope you will have a
pleasant journey to A. & back ^{to you}
& a good passage. Poor G. Alia
& Foria had a horrid sea
& looked green & thin. I have
been sick & eaten nothing. —

It is so funny meeting them
here after parting a few days
ago at Bernstorff - I am sure
you enjoy us this meeting! -
We have horrid weather & Hukku has
to go out shooting in it, not to his
great pleasure. Your niece kisses
you - she is very well after her journey.
Georgie's Balys are sweet, & David
took Hukku for his Papa wh. was so funny.
Now tata, I kiss you & Baly loving,
Ever yr devoted son
Alia.

Его Императорскому Высочеству
Великому Князю
Михайлу Александровичу.
