ДВОРЕЦЪ.

Darling child,
giving thanks for your
dear letter, wh. I was very
happy to receive. I am
afraid you must indeed
be spending a rather
dreary time at Berwick,
poor Emma ill, &
none of the other cousins
there - but Marie Louise
is nice, is she not?
Does Chas not come
every day. - But it
is a good thing you
read much, it is so useful
& agreeable an occupation.

I wish we had you here
for the manoeuvres, we
saw Andre' to-day &
at Krasno too - he
shot with the school -
To-morrow we go out
again, it is such
fun, & I think we
shall see more than
we could to-day, as
they were dispersed all
over the place & one
was prevented through
hills & bays from reaching
them. The school took
no active part to-day,
they were in the reserve
& that disappointed Andre'
very much. -

H. Mischen, Ellen, myself,
Countess Rüdiger & Louisa
Brühlmann ride - it is
very amusing, tho' to-day
the roads were too hard
for trotting. My lanciers
passed us, & the Chevalier
garde, g. à cheval, Preobraj;
artillery, Sergei's battery,
Konstantin school. The
heat & dust was terrific
even after a good
bath & much scrubbing.
I don't feel over clean,
& my face & eyes burn.
Stepanoff thanks for your
messages... We have
been playing a great
deal lawn-tennis, Sunday

Jerichowitch, Schlitter, Laue
take part, + C. Wassiltchikoff
her face is a real study
+ the way she sails about
too amusing. - He returned
the other day in 25 minutes
from Strelua on horseback.

Do you bicycle much?
I am sitting at Nicky's
dressing table, he is
next to me at his
table writing, if there
is time we shall have
still a little regique. -
On Saturday Nicky, U.
Misha, G. Gladimir, Sergei
+ N. Alexei shot ducks
at Babigone. - G. Mischen
Eileen + I went too, we
watched from a distance

got 150. He took tea
up at the house there:-

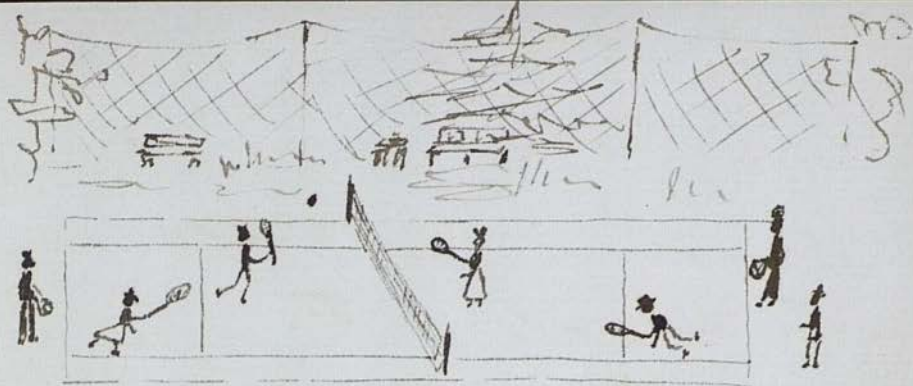

But I don't think I
have got anything more
of interest to tell you,
so shall say goodbye &
God bless you. -

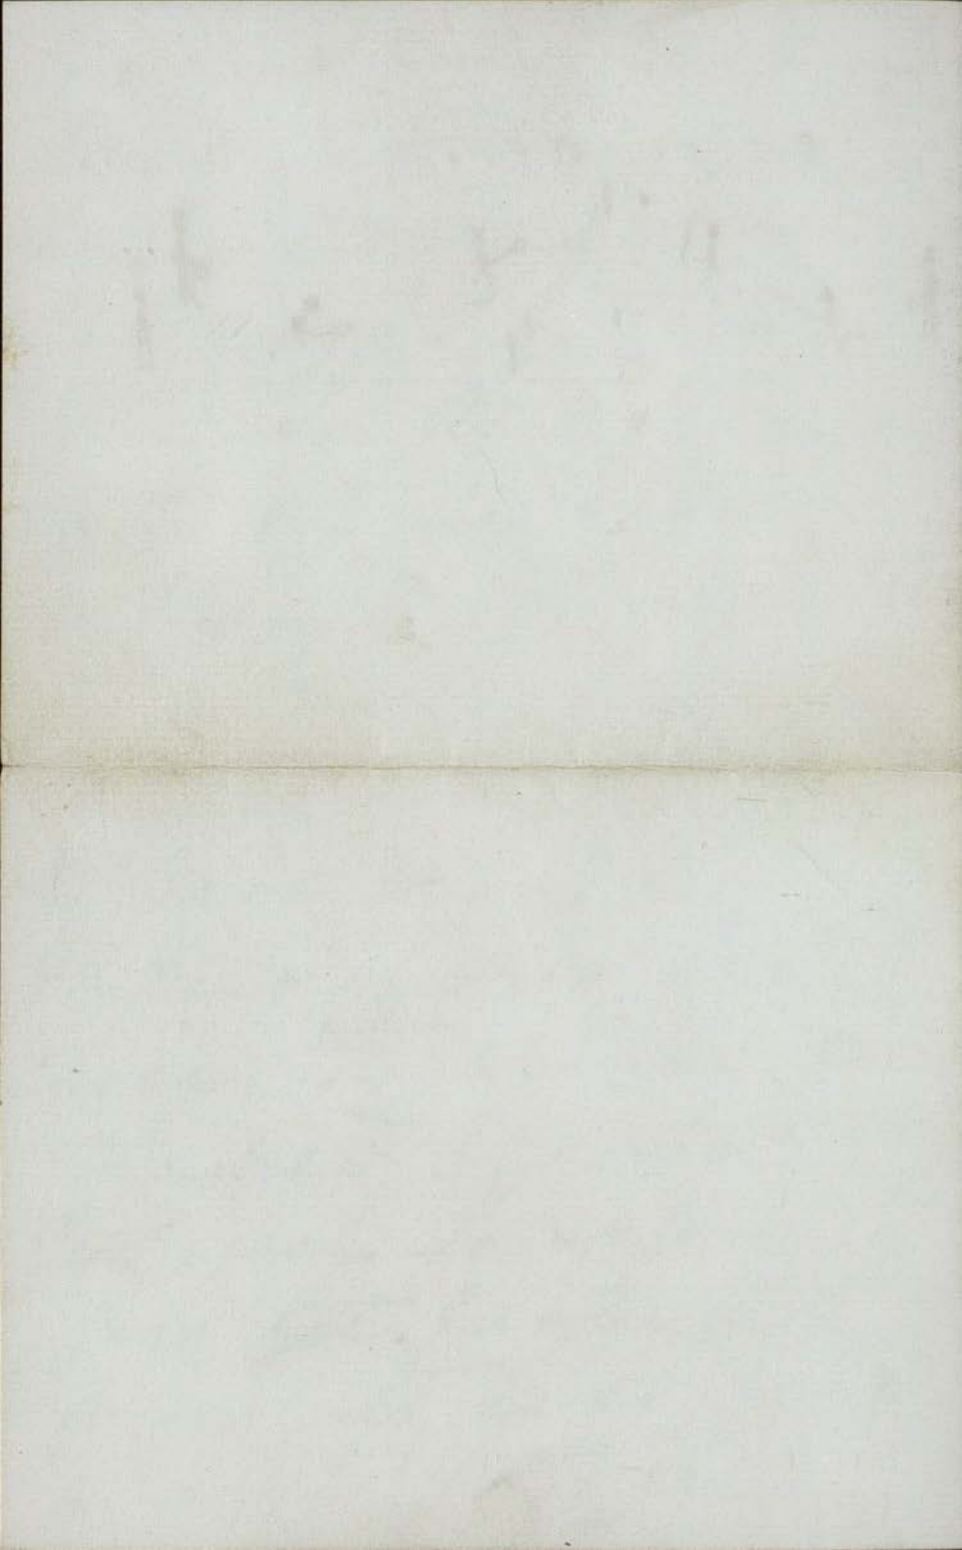

A tender kiss,
Miskin dear, &c
