THE "WELCOM" JIGSAW BOOK

Pat. Applied for.

presents a new idea—Stories illustrated by jigsaw puzzles.

Each story is complete in itself and is illustrated by a jigsaw magnificently coloured and consisting of over 200 interlocking pieces. A baseboard is provided on which the puzzles can be conveniently assembled.

The book is bound in a novel and permanent manner which permits the puzzles being used over and over again.

Further volumes in this series (also other series of appeal to all tastes) will be issued periodically.
