***THEY LED US
TO VICTORY***

They led us to Victory

A COLLECTION of Portraits of the Principal National Figures of the British Empire, the U.S.A, and the U.S.S.R. in the war against National Socialist Germany and her satellites, which commenced on September 3rd, 1939, and ended on May 9th, 1945. It has been produced as a small memento of the mighty struggle which was so unflinchingly waged for the Freedom of All Mankind.

“ . . . Every man, every woman, of every nation here represented, has served according to his or her ability, and the efforts of each have contributed to the outcome. This we shall remember, and in doing so we shall be revering each honoured grave, and be sending comfort to the loved ones of comrades who could not live to see this day.”

—*Extract from General Eisenhower's Victory Order of the Day, May 8th, 1945.*

THIS is a just and gracious appreciation of the efforts of the Peoples of the United Nations.

“THEY LED US TO VICTORY” is intended to serve as a humble and grateful tribute to the great men who led the Liberator Nations to Victory.
