Dear Robert,

In reply to your letter of Jan. 21st I can re-assure you & Lord Dunsing that I shall keep silent about the controversy over Fighter Tactics in 1940.

A friend of Peter Townsends arrived one day months ago with a long questionnaire & a letter asking me to make a tape recording about the above subject. At the time I was very busy with Civil Defence and City Council Elections apart from urgent business matters.

At only 15 mins notice I dictated brief answers to many questions, but when I made the transcript months later I was horrified at the jumbled mess which cannot have been of

of much use to Townsend
or anyone else. There has
been no later request or
procurement of information
and please tell Lord
Dowding this position.

Yes I would be most
delighted to attend the
premire along with my
Old Chief in September,
but my wife's health
will have to improve
greatly to permit my
absence of even one week
from our home.

Lady Park joins me in
sending our warm regards
to Lord Dowding, and
every success to you both
with the book.

kindest regards.
Yours sincerely

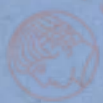

Keith Park
