Dear Robert,

Many, many thanks for the inscribed copy of "Donding". I am sorry that I have not written to thank you, but you probably realise that September was solidly hectic for me on promotional work for the film.

I have now been able to complete reading the book, and I cannot commend you enough

on your research and presentation.  
I am delighted, too, at the amount of  
publicity that the book, and Lord Dooding,  
received on publication.

Thanking you again, Bob, and  
all my congratulations. Hoping to  
see you on the 20<sup>th</sup>.

Yours age
