Dear *Bob*

Many thanks for your letter enclosing the circular
Collins are sending to the book trade.

I was delighted to have the opportunity of meeting
Collins, Politzer and one or two others in the firm, who all
struck me as being delightful people. They impressed me as
being very sensible and I am sure that whatever they wish to
do will not cause me any embarrassment.

I am delighted that the book is on the recommended list
of the Book Society and am looking forward to its publication.
My best wishes to you and your family.

Yours

Sincerely
John Cunningham
