Dear *Bob*

Many thanks for your letter of congratulations.

I am particularly glad to hear that you have tracked down Micky Phillips and confirmed that I did, in fact, give him the D.F.C. Ribbon. I well remember seeing him at Ford immediately on his return from a P.O.W. camp but I only have vague recollections of a drink or two in the Mess so it is nice to have his confirmation.

All the best to you,

Yours

Sincerely
John Cunningham
