Dear Bob

Thank you for sending me the
Italian copy of Night Fighter.

It will be interesting to see how
it is received in Italy.

I am delighted to see the
tremendous interest raised by your book
on Stuffy and The Battle of Britain and
am sure it must have given you very
great satisfaction.

I find it very difficult to
realise that those exciting times were
nearly 30 years ago! It must be old
age coming on!

My very best wishes to you
yours sincerely

John P. ...
