Leuch B. Hale - Director, United States Operation Mission to Israel
July 5, 1954 to March 3, 1957
Tel Aviv.

Statende address - Miss Mary D. Watton
42 Fifth St

Ansonia Connecticut.

These years have been joyous ones as we labored cooperatively, Israelis and American Together
to build finer friendship between our two countries and to help create a stronger and more Israel.

Many happy hours have been spent at the Karmel Aviv with its delightful setting and
at general level when I shall ever cherish as a loyal friend.

May the years that are ahead bring prosperity to the Karmel Aviv, deep satisfaction to its
curves and the fulfillment step by step of the dream that is the building of Israel.

" / praise the deed well done, the thought well thought
the word well spoken. " Thanks for every thing -
