

AMNESTY FOR THE IMPERIAL VALLEY PRISONERS!

FREE MOONEY AND BILLINGS!

TO THE GOVERNOR OF CALIFORNIA:

Eight organizers of the plantation workers of Imperial Valley are in prison sentenced up to 42 years. These workers are imprisoned only because they organized the toilers of California.

Mooney and Billings, militant working class leaders are still in prison in the State of California, for a crime they never committed. Their innocence is proven beyond doubt.

I demand immediate and unconditional release of these working class fighters.
