HINDENBURG BROADCASTS NEW YEAR PEACE MESSAGE TO THE WORLD.

For the first time President von Hindenburg of Germany broadcast to the world when, from his desk in the Presidential Palace he spoke into the microphone and sent out his wishes for the New Year. He appealed to the Nations of the world to bury hatred and to try to find a common line of policy for the welfare of all nations. He asked the German people to cease party strife, to form a united front in the fight against the crisis, and to support one another. It was the first time that photographs were permitted at the annual Presidential New Year reception in the President's Palace in the Wilhelmstrasse in Berlin.
