Ha Hemadapur. 3<sup>rd</sup> Sept: 1901.  
We spent a charming day  
& are lying now in the  
canal till to-morrow morning.  
I miss the Children awfully.  
They drove by carriage to the  
first big bridge to see us pass  
at 9 (in the rain) & waved  
their little hands. — This after-  
noon we went all over the  
yacht. Tenderest love fr.  
us both. —
